### ABOUT

The Department of Psychology was established in the year 2017 with P.G. Program. Through this program the students are encouraged to enhance knowledge about the concepts, theories, research and applications. Various student-centred teaching and training guidance are practiced by the faculty. Our faculties also encourage students to participate laboratory training, seminars, conferences, workshops, field-based studies, internship, case discussions and film-based discussions and interactions with field experts. This year 2024-25 is a remarkable year for the Department of Psychology as we take the new wings in establishing UG Psychology in view of moulding the young minds to understand and work for creating mental health for all
